The books are openly licensed; the guides and the formatting are adaptations for personal study. Audio clips and online exercises are on the original web pages (each lesson material shows the link).

## How to study each lesson

1. **Read the study guide** up to "Practice": goals, key language and rules (about 15 minutes).
2. **Work through the lesson material**: read the texts, watch the videos, and listen to the audio on the original page when the material asks you to listen.
3. **Do the Practice** in the guide, then check your answers on the answer key page (the last page before your notes).
4. **Speak with your tutor** (about 20 to 30 minutes). In the app, open *Study*, choose *English Stage 1 (B1)* and the lesson's topic, and start *Live conversation*. Use the ideas in "Speak with your tutor". Ask the tutor to correct your grammar and pronunciation.
5. **Read aloud and write.** Record yourself reading the "Read aloud" lines with your phone and listen back. Write the writing task, paste it into the chat, and ask the tutor for corrections. Then rewrite it.
6. **Review the next day.** The app's *Today* page shows the lessons and words that are due.
